A Gift

Berjibun kalah

berserakan
berserah
kepada siapakah

sedang orang miskin

merekah kulit mereka bernanah

Death

Death is the end of our live
Death is the gate of our existence
Death is the end of everything
Remember we are mortal
Do some we must do
Never worried about
Something different
Do the best in our second
In our life
Never worry about tomorrow
Because tomorrow we may die
Death is the end of our will
Do the will before the death come
Do what we want to do
Carpe diem

But when summer will come
You will forget me my dear.

Kamuflage

Kamuflage (minyak versus jihad)

Saling jotos
sesama saudara yang mengklaim benar
yang satu percaya
akan ini
dan yang lain percaya
akan itu,
dengan keyakinan masing-masing,
siapa benar
siapa salah
siapa yang tahu
masing-masing mengklaim benar,
hingga lakukan hal-hal yang seharusnya tidak perlu terjadi
apakah ini jihad?
Membunuh saudara sendiri
yang sedikit berbeda
pun sebenarnya ada musuh utama,
adalah orang-orang yang membuat mereka sengsara.
Tapi sudah terlanjur
makan umpan
dan tinggal menariknya saja
ke penggorengan
di nikmati bersama
dan kita mati terkapar

The Burning Night At 2007

Terbakar akhir tahun 2007

kacau

kekacauan merajai

gelapnya malam

yang seharusnya terang

tak tahu maut

yang jaga

telah mengintai

mendikte

siapapun tuk ikut

buat mereka yang tahu

The Crowded World

Kamuflage (minyak versus jihad)

Saling jotos
sesama saudara yang mengklaim benar
yang satu percaya
akan ini
dan yang lain percaya
akan itu,
dengan keyakinan masing-masing,
siapa benar
siapa salah
siapa yang tahu
masing-masing mengklaim benar,
hingga lakukan hal-hal yang seharusnya tidak perlu terjadi
apakah ini jihad?
Membunuh saudara sendiri
yang sedikit berbeda
pun sebenarnya ada musuh utama,
adalah orang-orang yang membuat mereka sengsara.
Tapi sudah terlanjur
makan umpan
dan tinggal menariknya saja
ke penggorengan
di nikmati bersama
dan kita mati terkapar

The Darkness Signal

Jam jam berdetak
bersamaan
walaupun angka yang ditunjuk
sudah berbeda
tapi tetap berdetak
berbarengan
sialan
apakah ini jawaban
kegelapan
akan menang

The Poor Right

Kampung tetaplah kampung
tak tahu apa pun itu
politik
yang mereka tahu makan
dan janji janji palsu
tak tahu mereka apa itu
benar atau salah
hanya intrik
dan ketidakpastian
kerakusan yang tahu
dan ketidakadilan
yang seharusnya mereka dapatkan

Time More Laughter

A lil time for laughter

A lil time for laughter
fresh our face
a lil time to singing
brighten our mind
a lil time to kiss and think
sharpening our feeling,
tomorrow
no body talking
out of thinking but
just kidding
(13o5o6)
